## **HB 2296 - SB 2645**

February 25, 2000

**SUMMARY OF BILL:** Creates a procedure to revoke a professional, trade, occupational, business, industrial, hunting, fishing or driver's license of a parent who has violated a court-ordered visitation schedule on two or more occasions within a six-month period. Creates due process requirements in court for reinstatement of the license.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures - \$70,000 - One-Time**

Estimate assumes:

- one-time cost to make changes in the Department of Safety's automated system to allow for the suspension of drivers' licenses for the purposes contained in the bill.
- the recurring expense would not be significant.

For information purposes TWRA has stated that any diversion of wildlife funds could threaten some Federal funding.
